CONTRACT APPROVAL NO. 63-1

FIREWEL CONTRACT

SUBJECT: Procurement of Vehicle Hardware Systems

TO: Contracting Officer

STATINTL

Reference is made to my conversations with [redacted] and Hazel on 3 August 1962. During this meeting we discussed the matter of procurement of the seven (7) vehicle hardware items and the question whether this procurement was to be accomplished on Contract SB-3661 or by contract with the Firewel Company through your office. I have discussed this matter with [redacted] and he has directed that these items should be procured as a follow-on procurement to your buy of hardware systems from Firewel.

STATINTL

It is requested that you establish a contract with Firewel for the seven (7) Vehicle Hardware Systems per the letter dated 27 July 1962 to [redacted]. At your discretion this procurement may be established as a new contract or added on to your existing contract.

The decision concerning procurement of the other items in the proposal: namely, pressure suits, indoctrination program, survival kits, packs and back pans will be made at a later date. This decision is temporarily deferred pending more thorough review here of the matter of the use of full pressure suits versus the possible use of partial pressure suits.

Kindly send us a copy of the new contract established or your amendment to the existing contract, as appropriate.

This authorization cancels and supersedes Contract Approval No. 63-2, Contract SB-3661, dated 13 July 1962.
